CONTEST PRIZES

Grand Prize x twenty (20) winners: RM500.00 Boost ewallet

Consolation Prize x two hundred (200) winners: RM50.00 Boost ewallet

WINNERS SELECTION

1. All qualified entries will be subjected to a computerised random selection process to shortlist twenty (20) Grand Prize finalists and two hundred (200) Consolation Prize finalists ("Finalist"). The computation as follow;

GRAND PRIZE (Twenty (20) winners: RM500.00 Boost ewallet)

There are TWENTY (20) Grand Prizes to be won throughout the **Contest Period**.

The winner will be determined based on the serialized number of qualified entries received during the Contest Period, for example: if there are 2,800 eligible entries received during the **Contest Period**, this number will be divided by allocated prize(s). Illustration of computation is as follows:

$$2,800 \div 20 = 140.$$

A total of TWENTY [20] participants with entry serial number with a multiple of 140 will be declared as the Grand Prize winners. Example of the winning serial numbers: 140*,280*,420*,560*,700* and so forth will be declared as the **Grand Prize winners**.

The rounding formula will be performed if the winning number of entries arises the decimal value, the number will be rounded to the nearest single digit number and the multiple serial numbers will be selected as the winner.

CONSOLATION PRIZE (Two Hundred (200) winners: RM50.00 Boost ewallet)

There are Two Hundred (200) Consolation Prizes to be won throughout the **Contest Period**.

The winner will be determined based on the serialized number of qualified entries received during the Contest Period, for example: if there are 2,800 eligible entries received during the **Contest Period**, this number will be minus with Grand Prize winners' entries and divided by allocated prize(s). Illustration of computation is as follows:

- Assuming Grand Prize Winners' entries is 20

$$2,800 - 20 = 2780 \div 200 = 13.9.$$

(The multiplication here is 14)

A total of Two Hundred [200] participants with entry serial number with a multiple of 14 will be declared as the Consolation Prize winners. Example of the winning serial numbers: 14*,28*,42*,56*,70* and so forth will be declared as the **Consolation Prize winners**.

The rounding formula will be performed if the winning number of entries arises the decimal value, the number will be rounded to the nearest single digit number and the multiple serial numbers will be selected as the winner.
